# DUAL ENROLLMENT

- Who can do it?
- What is it?
- How to apply?

# DUAL ENROLLMENT (DE)

DE is a state funded program that allows 11<sup>th</sup> and 12<sup>th</sup> graders to take college classes while completing their high school diploma.

DE also provides limited options for 10<sup>th</sup> graders

DE pays for 100% tuition, mandatory fees, and required textbooks up to a maximum cap of 30 hours (*this equates to roughly one year of full-time college enrollment or around 10 courses*)

Any 10<sup>th</sup> grader can take CTAE classes at a Technical College

10<sup>th</sup> graders who have earned a 1200 SAT or 26 ACT (in one sitting) are eligible to apply to any DE program

# DUAL ENROLLMENT

DE students can take approved courses in:

- English, math, science, social studies, or world/foreign languages (11<sup>th</sup> and 12<sup>th</sup>)
- AND/OR
- Career Tech (CTAE) classes (10<sup>th</sup> Grade)

The goal of Dual Enrollment is to increase college access and completion; and prepare students to enter the workforce with the skills they need to succeed.

If you're interested in Dual Enrollment, speak with your school counselor.

# INTERESTED IN DUAL ENROLLMENT?

**Speak with your counselor to discuss specific process**

**Research admissions requirements and application deadlines for colleges**

**Apply to the college**

- Submit SAT/ACT/Accuplacer scores (take these early – preferably, fall!)
- Request official transcript from counseling office

**Meet with your designated counselor to decide DE classes and complete paperwork**

## JUST A FEW THINGS TO CONSIDER:

### **COLA ONLY ALLOWS STUDENTS TO PARTICIPATE IN DUAL ENROLLMENT PART-TIME**

Whether your future college will accept transfer credits  
or how they may view DE vs. AP

Rigorous college level classes?

Transportation and parking issues at the high school

Potential schedule complications, both in-school and  
extracurricular (especially for part-time participation)

Cobb County and college calendars are different —  
exam dates, spring/fall/winter breaks will be different

**DUAL  
ENROLLMENT**

### Here are your top 3 themes.

Your top 3 themes are your areas of natural talent - ways in which we naturally think, feel, and act. We are all naturally good at some things, and the resources below will help you understand what those things are and the career pathways associated with them.

#### 1. Relating

You like to start friendships and keep them for a long time ? maybe even your whole life. You widen the circle of friends for yourself and others.

#### 2. Future Thinker

Your mind loves to think and dream about the future. You are a person who thinks about what is possible, not what is impossible.

#### 3. Caring

In your heart, helping other people is very important. You want to make the world better by helping people in small ways or big ways.
